

# Giving Voice to Hope: Music of Liberian Refugees

## CD Order Form - Canada

The University of Alberta is pleased to announce the launch of the musical and educational CD *Giving Voice to Hope: Music of Liberian Refugees*. Production of this CD has been a cooperative multi-year initiative involving Liberian refugees in Ghana, a Liberian NGO, and University of Alberta faculty, staff, and students.

### Project Background

Buduburam is a Liberian refugee camp located west of Ghana's capital, Accra. The first refugees arrived in 1990 fleeing from Liberian civil wars. Although the camp was once home to over 40,000 inhabitants, population numbers are diminishing as Buduburam refugees slowly make their way back to Liberia.

*Giving Voice to Hope: Music of Liberian Refugees* is a compilation CD featuring 16 Liberian musical groups who have resided in Buduburam as refugees, some even since their birth. Musical recordings represent life in Buduburam through several genres: hip hop, R&B, traditional, gospel, and reggae. You can listen to music samples at: <http://tinyurl.com/ott3w3>

Proceeds from CD sales will generate revenue for the Liberian artists and for the Center for Youth Empowerment (Liberian NGO), as well as establish a U of A endowment to support student-focused learning initiatives in Africa.

**The CD *Giving Voice to Hope: Music of Liberian Refugees* is on sale for \$15 each (plus GST).** If you want to purchase copies of this CD, please fill in the attached order form and mail it, along with your cheque or money order (made payable to the University of Alberta) to:
